## PREPARING YOUNG ADULTS FOR LIFE: A CHRISTIAN WORLDVIEW AND APOLOGETICS TRAINING WEEK

Faith Beyond Belief (FBB) has partnered with the Canadian Baptist Theological Seminary and College (CBTSC) in Alberta to host **ENGAGE**, a week-long apologetics camp in summer 2024. We anticipate that this will become an annual event as apologetics and Christian worldview training are an ongoing need in Canada.

**ENGAGE** is the first non-denominational camp of its kind in Canada and will prepare young adults for the challenges of life after high school, particularly as they engage with non-Christian worldviews at college/university and when entering the workforce. By learning the foundations of a Biblical worldview, Christian young adults will be equipped to respond to the non-Biblical views they hear in everyday conversations.

**ENGAGE** will feature Apologists as well as other FBB speakers and CBTSC professors. Students will be placed in small groups for the week and will participate in facilitated discussions and team-building activities, along with epic games and relaxing campfires. The week will also include trips to Banff and Cochrane.
